Commercial High Performance Granitas

Model **OFS20/30** Commercial Granitas

Omega Model OFS Granita Machines are perfectly suited for displaying and serving frozen beverages in any location. These machines are visually appealing and durable, ensuring that not only will they generate customer appetite but will also stand up to continued use. Their attractive design is compounded with a lighted top panel that illuminates the product inside the machine and further adds to its appeal.

OFS Granita Machines are built to withstand daily use in fast-paced environments using durable materials like stainless steel and high-impact plastics. For a machine that customers love and one that will help you sell more, choose an Omega Granita Machine.
