HORIZONTAL BOTTLE COOLER 65"

MODEL:

VPB65

We are proud to introduce the beautifully constructed **Valpro VPB65 commercial horizontal 65" bottle cooler**. Keeping beverages cold and accessible is easy with our 65" bottle cooler manufactured with uncompromising quality, energy efficient technology, and standard premium features built in. This model will provide many years of worry free service and deliver cost saving eco-friendly energy efficiency. All our equipment exceed the new 2017 energy standards to deliver the lowest operating costs. This unit utilizes an over-sized balanced refrigeration system allowing fast beverage cooling and shorter run times in a busy commercial environment. All our bar refrigeration equipment utilize natural hydrocarbon R290 or R600A refrigerant as an environmentally responsible choice having low global warming potential and no potential for ozone depletion. All Valpro products are manufactured under strict ISO9001 standards for quality assurance, and to consistently deliver to our customers products that satisfy all expectations. All our products are operated, extensively monitored, and undergo rigorous inspection prior to packaging and shipping.
