We maximize efficiency in our efforts to be Green 🌱

- 3" floor insulation and 2.5" ceiling and wall insulation for increased R value over other brands
- Inset 2" solid (one-piece PVC) welded reinforced door gives a 1/2" more thickness than other brands to improve efficiency.
- Leer merchandisers meet Department of Energy (DOE) energy conservation standards
- Recyclable shipping materials
- Reduced operating costs - up to a 30% energy savings over other brands
- NSF Approved indoor and outdoor units now available

Leer has been designing, building and improving ice merchandisers since 1952. We keep a large inventory of finished goods and replacement parts on hand at all times. Over 50 models of merchandisers, including cash-less self-vending machines are available from stock and through our distribution partners.
