

## Exclusive Features

Innovative dispensing system

Total cold system

Reduces energy consumption and noises

“Seal-Less” drive shaft system which eliminates mandatory preventive maintenance

Electronic system, density control and auto diagnostic

Removable external condenser air-filter

Elmeco Quick cream White has been specifically designed for making and dispensing semi-frozen and frozen cream, frozen yogurt, frappes, soft serve dessert and sorbet. Quick and easy to disassemble and clean, Quickcream White guarantees maximum hygiene for milk-based products. Thanks to the easy-to-use electronic functions and a patented dispensing system, it serves electronically measured portions of approximately 10 grammes each. With its soft, appealing lines and a wide range of customisable shells, will furnish your bar or restaurant in style.
