## Prepline FD-10R Stainless Steel Food Dehydrator with 10 Racks - 120V

### FEATURES

- 10-tray food dehydrator
- Stainless steel structure
- 85F to 160F temperature range
- 12 hour timer in 1-hour increments
- Advanced air flow design for even dehydrating
- On/Off power switch
- 10 shelves included
- Removable door
- User- friendly design

The Prepline electric food dehydrator is perfect for drying a diverse array of foods, including fruits, vegetables, jerky, and granola. Its horizontal airflow ensures even distribution, expediting the drying process for enhanced flavor.
